

### Specifications

Input Voltage	12VDC / 230V AC
Wattage	3 W
Operating Temp	0-70° degree
Protection Grade	IP54
Luminaire	SMD LED Strip
Control Gear	Onboard
CRI	82
CCT	6500K (Cool White)
Indication	Green Color (IN or OUT)
LED make	Edison / Seoul / Bridgelux
No. Of. LED's	42
Lumens	300 Lm
Light Viewing Angle	120°
Lamp Housing	Polycarbonate
Diffuser	Polycarbonate
Fastening	Screw Mounting
Average Lifespan	30,000 Hrs

### Features

- Light as well as Indication
- CE Certified
- IP54 grade protection
- Excellent Cool Day Light illumination & Green Indication "IN" or "OUT" as per requirement
- Lamp with high grade components
- Heat resistant & shock proof
- Easily mountable
- Stringently checked on various criterion of performance
- Longer functional life & Cost Effective
- Modular design with Superior Finishing & Tamperproof packaging
- Motion Sensor (Optional)
- Buzzer with ON-OFF Switch (Optional)

### Ordering Code

SMC-FR-3W-230V AC    Dimensions: Dia 115 X 37.5 mm
