

Specifications

Input Voltage :	24V DC
Operating Temperature	0°C to 70°C
Luminaire	PCB Mounted LED's
CRI	82 Typical
LED Color	Red / Amber / Green / Blue
Functions	Steady
Protection grade	IP 54
Lamp Material	Dome - Polycarbonate Base - ABS
Diameter	∅ 60 mm
Average Life Hours	30000 Hrs
Luminous Intensity	Red: 900-1200 mcd Amber: 400-900 mcd Green: 2000-2200 mcd Blue: 200-500 mcd

Ordering Code

MODEL
SMC-DMR-65

VOLTAGE
24VDC

Features

- Lamp for machine status Indication
- Suitable for machines and equipments in high light output LED's
- CE certified
- ROHS Compliant
- IP 54 grade Protection
- Heat Resistant, shock proof & easily mountable
- Stringently checked on various criterion of performance
- Modular design with superior finishing & tamperproof packaging
- Longer functional life
