

Specifications

Wattage	7W
Input Voltage	90 - 265V AC / 50-60 Hz
Protection Grade	IP54
Luminaire	SMD LED strip
CRI	82 Typical
LED color	Cool white / 6500K
LED Make	Edison / Seoul / Osram/ Everlight
No. of LED's	100
Operating Current	0.24A
Lumens	700 Lm
Light Viewing Angle	120 Degree
Lamp Housing	Cylindrical Polycarbonate Pipe, ABS Moulded non slippery Handle
Cable Length	5 Meters with Two Pin Plug
Avg. Life Hours	30,000 Hrs

Ordering Code

SMC-EX-25-230

230V AC

Features –

- Modular Slim design, Light Weight & Unbreakable.
- IP 54 grade protection.
- Excellent Cool Day Light
- Heat Resistant and Shock Proof.
- Transparent and Translucent dome.
- Hook and Magnetic mounting.
- Hook can be rotated 360 degree
- Use of Magnet at rear for fixing with magnetic surfaces.
- Applications – Project sites, Maintenance, Chemical vessel manufacturers, Fabrication workshops/sites, confined spaces, etc
