

Specifications

Wattage	7W
Input Voltage	24V AC/DC
Protection Grade	IP54
Luminaire	SMD LED strip
CRI	82 Typical
LED color	Cool white / 6500K
LED Make	Edison / Seoul / Osram/ Everlight
No. of LED's	105
Operating Current	0.29A
Lumens	700 Lm
Light Viewing Angle	120 Degree
Lamp Housing	Cylindrical Polycarbonate Pipe, ABS Moulded non slippery Handle
Cable Length	5 Meters
Avg. Life Hours	30,000 Hrs

Ordering Code

SMC-EX-25-24

24V AC/DC

Features –

- Modular Slim design, Light Weight & Unbreakable.
- IP 54 grade protection.
- Excellent Cool Day Light
- Heat Resistant and Shock Proof.
- Transparent and Translucent dome.
- Hook and Magnetic mounting.
- Hook can be rotated 360 degree
- Use of Magnet at rear for fixing with magnetic surfaces.
- Applications – Project sites, Maintenance, Chemical vessel manufacturers, Fabrication workshops/sites, confined spaces, etc
