

Specifications

Input Voltage	100 - 230V AC (50/60 Hz)
Wattage	9 W
Operating Temp	0-70° degree
Protection Grade	IP54
Luminaire	SMD LED Strip
Control Gear	Onboard
Wavelength	590-595
LED Colour	Yellow
LED make	Edison / Everstar / Bridgelux
Lumens	900 Lm
Light Viewing Angle	120°
Diffuser	Polycarbonate
Side Caps	ABS
Fastening	Screw Mounting
Cable Length	1.5 Meter
Average Lifespan	20,000 Hrs

Features

- Ideal for Pharmaceutical Industry, Cleanrooms, Inspection Rooms, etc
- CE Certified
- IP54 grade protection
- Monochromatic Light (YELLOW color)
- Lamp with high grade components
- Heat resistant & shock proof
- Easily mountable
- Stringently checked on various criterion of performance
- Longer functional life & Cost Effective
- Modular design with Superior Finishing & Tamperproof packaging
- ON-OFF switch (Optional)
- Magnet (Optional)

Ordering Code

Model No.
SMC-M-PL-9W-230V AC

Dimensions
300 X 35 mm (Without Switch)
310 X 35 mm (With Switch)
