Description	MODEL
With 9 Pin Female, 25 Pin Female Connector & RJ45 Connector 8 Pin Metal CAT6	SMC-PIU-9/45

Features

- Premium quality Front Panel Interface Unit made of high quality material.
- Tested on well defined parameters which ensures durability.
- CE Certified
- Plug & Socket assembly with universal socket & frame.
- Ideal for Temperature fluctuating conditions.
- IP 54 grade Protection
- Heat Resistant, shock proof & easily mountable
- Stringently checked on various criterion of performance
- Longer functional life
- Meet customized requirements & best in utility.

Dimensional Drawing

PANEL CUTOUT

Model	Dimension Outside	Panel Cutout
SMC-PIU-9/45	100 X 70 X 41	63 X 57

- Suitable to Wall thickness : 1 to 3 mm
- Dimensions (L X W X H) in mm
