

Specifications

Panel Mount	USB 2.0 Female-Female
Protection Level	IP67
Rated Voltage	30V
Rated Current	1.5A
Insulation Resistance	2000mOhm
Durability	≥2000~10000 Cycles
Dielectric Withstanding Voltage	500V/AC
Receptacle Housing	PBT, Black
Conductor Material	Brass
Operating Temp	-40~105C
Coupling Ring	PA66, Black
Standard	USB2.0
Gender	Female-Female

Ordering Code

SMC-M22.5-USB-FEMALE CONNECTOR

Features

- Highly Efficient and stable waterproof connector
- Water & dust proof hence suitable for wet & dry applications
- Heat resistant & shock proof & easily mountable Stringently checked on various criterion of performance
- Longer functional life & Cost Effective
- Modular design with Superior Finishing & tamperproof packaging
- Widely used in automobile, Production & Electrical Engineering industries
